

Fair Treatment and Equal Benefits and Opportunity Policy

Overview

The Heath Arts College Pty Ltd supports the concept of equal opportunity and is committed to providing all staff, students and potential students with a working and learning environment which values diversity, respects differences and provides an environment that is safe, healthy, positive, supportive and free from all forms of harassment, bullying and discrimination.

Scope and Application

This policy is designed to provide staff and students with the knowledge of their rights for Fair Treatment and Equal Benefits and Opportunity and how it is implemented by the Health Arts College.

Definitions

For the purposes of this document the following applies:

The Act refers to the *Vet Student Loans Act 2016*

Student/s refers to genuine students as defined in section 5 of VET Student Loans Rules 2016

Fair Treatment the College will treat fairly all Students and potential Students.

Student Selection the College has open, fair and transparent procedures, based on merit for making decisions about:

- a) the selection, from among Potential Students; and
- b) the treatment of Students.

The College is The Heath Arts College Pty Ltd

Policy Principles

1. Fair Treatment

1.1 The College treats fairly all of its students. This applies to those who are, or who would be, entitled to VET Student Loans assistance and all of the persons seeking to enrol in a VET subject of study that meets the College' course requirements and who are, or would be entitled to VET Student Loans specifically the fairness requirements include:

- a. fair treatment
- b. equal benefits and opportunities
- c. student grievance procedures
- d. student review procedures
- e. requirements to appoint review officers
- f. personal information procedures
- g. tuition assurance

1.2 The application of fair treatment does not require that all students are treated the same. Fairness must be considered in the context of all the relevant circumstances. There will be situations in which the fair treatment of students may result in students in varying circumstances being treated differently.

1.3 The College publishes these fairness procedures and makes them publicly available on its website www.thacollege.edu.au and Student Handbook.

2. Equal Benefits and Opportunities

2.1 The College has open, fair and transparent procedures that, in its reasonable view, are based on merit for making decisions about students undertaking, and persons applying for, VET approved courses. This includes:

- a. The selection, from among the persons who are, or would be, entitled to VET Student Loans under Division 2 of The VET Student Loans Act 2016 and who seek to enroll with the College in a VET subject of study that meets the requirements of persons to enroll; and
- b. The treatment of students who are, or who would be, entitled to VET Student Loans under Section 84 of The VET Student Loans Act undertaking a VET approved course or part of the course.

2.2 Refer below to 'Selection Procedures'

3. Application of Merit

3.1 The application of merit in decision-making processes involves the College considering each application on a case by case basis and not applying inflexible policies that preclude eligible applicants from having their application considered.

4. Educational disadvantage

4.1 When making decisions about the selection of students, The College takes educational disadvantages that a particular student has experienced into account, including consideration of the actual disadvantages that a particular student has experienced. The College does not use 'proxy indicators' of educational disadvantage in the absence of clear evidence that all students in such a group necessarily suffered educational disadvantage. Such proxy indicators are not used because they assume that all people who satisfy the proxy condition (e.g. being from a low income group or being from a rural area) have necessarily experienced educational disadvantage. The College considers a particular student's specific circumstances before making a decision about whether the student has actually suffered educational disadvantage.

5. Restricted access arrangement

5.1 When making decisions about the selection of students, the College takes into account students that are enrolled under a restricted access arrangement, as appropriate. (This is an agreement entered into between the College and an employer or industry body for the provision of a course(s) or places in a course(s) in which enrolment is limited or restricted to employees of the employer or industry body.)
